Watch and sing along to the song: [He's Got the Whole World in His Hands](#)

Here is a video you can watch with your child about how we are made in God's image: [God's Story: God Made People](#)

**Verse discovery:** So God created man in his own image, in the image of God he created him; male and female he created them. - Genesis 1:27

**Our activity today is about how we are made in the image of God and that the Gospel can bring peace to all people.**

It is all too unfortunate, but discrimination and prejudice seem an ever-present element of life in a sinful world. It is important to raise children to recognize that God has made all people in His image. Despite outer differences and visual variations, Christ died for all and on the inside, we are all alike, called to spread the Gospel to everyone. These crafts are aimed at reminding children of our oneness in Jesus, as well as the importance of bringing peace to the communities around us.

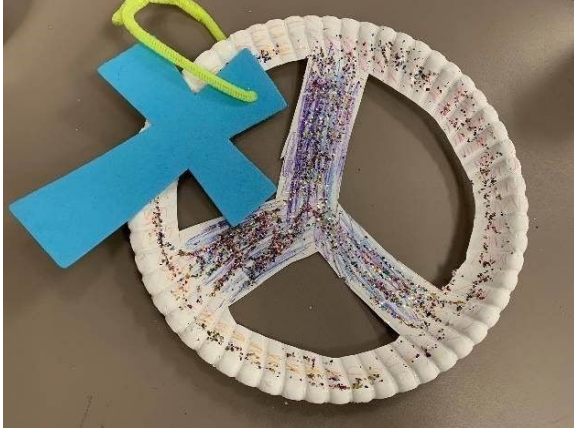

## Additional activities

1. **Human Mosaic.** You will need: Construction paper or card stock, markers, stickers, or other decorating materials, glue, scissors, googly eyes or decorations (if desired). Draw a person shape on a large piece of paper; or trace an actual body on a REALLY large piece of paper. Cut or tear pieces of paper in various colors. Glue the pieces of paper inside the body shape. Add extra decorative features (eyes, facial features, etc.) as desired. Add a verse or caption, and string if you'd like to hang the picture.

2. **Peace Plate:** You will need: Paper plates, string or pipe cleaner (to hang up), scissors, markers or crayons, stickers, glitter, or decorative supplies, glue, ruler (optional), cross-shaped card or foam piece. Draw a "peace sign" on the paper plate (use a ruler for extra precision). Color and decorate the peace sign with markers, crayons, or colored

pencils. Carefully cut away the “pie wedge” parts of the plate that are not included in the peace sign. Add extra decorations as desired: glitter, stickers, etc. Attach a hanging device (string/pipe cleaner) and cross, if available. Add a verse or caption.
