Watch and sing along to the song: [Fruit of the Spirit Song](#)

Here is a short lesson about the fruit of the Spirit you can watch with your child:  
[The Fruit of the Spirit](#)

**VERSE DISCOVERY:** But the Holy Spirit produces this kind of fruit in our lives: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. There is no law against these things! (Galatians 5:22-23 NLT)

This week we're learning about the fruit of the Spirit. We know that the fruit of the Spirit is developed in us as the Lord sanctifies us, once we are saved. Believers are indwelt with the Holy Spirit, and he grows within us the fruit (or character) that God desires we display in our lives. The fruit of the Spirit listed in Galatians is a great place to start teaching our kids about godly character.

Why does the Bible say "*Fruit* of the Spirit", rather than *fruits*? When the Lord works in the life of a believer, he grows fruit. We don't pick and choose *which* fruit. It all shows up together. A Christian doesn't display patience without love, or peace without kindness. Godly characteristics collectively show up in our lives as *fruit*.

Here are some activities you can do with your child this week as well as a word search and a set of colouring pages depicting the different ways we can express the fruit of the Spirit in our lives.
